Stage 2: Evidence of Student Learning

Scoring Criteria

Define levels of performance for each indicator

Indicator List performance indicators from Stage 1.	Emerging	Developing	Proficient	Distinguished

Summative Assessment Task

Describe what students will do and produce to develop evidence that will be evaluated using the scoring criteria. If an assessment has not been developed, the Summative Assessment Planning Template and Protocol might be helpful to guide this process.

--

Entry-level assessment

Determines student strengths, weaknesses, and prior knowledge of the concepts and skills addressed in the unit.

--

Stage 3: Instructional Design

Initial Event or Hook Encourages students to access prior knowledge; sparks student interest and engagement, and answers the question, "Why do we need to learn this?"

Learning Targets Identify what students should know and do in the course of the specific learning experience.	Formative Assessment Provide clear, descriptive, actionable feedback for students and provide feedback to teachers in order to adjust instruction.	Learning Experiences Differentiated experiences that provide opportunities for students to engage in active learning around the learning target(s).

Stage 4: Resources and Reflection

Resources

Support varied student needs and learning styles and include a range of media and print materials.

Student Reflection

Provides an opportunity for students to reflect on learning and progress toward indicators; occurs throughout and at the end of a unit; incorporates goal setting.

Teacher Reflection

Provides an opportunity for teachers to reflect on instruction and student progress toward indicators; occurs throughout and at the end of the unit; is based on student learning and engagement data; can result in changes to the unit, to instructional practice, or both.
